10:15

The NATO Science for Peace and Security (SPS) Programme: Opportunities for Collaboration

During this session, the Senior SPS and Partnership Cooperation Advisor as well as a former member of the Independent Scientific Evaluation Group (ISEG) will present the SPS application and selection process. Co-directors of a SPS funded project will then share their experiences with the SPS Programme and give some advice on writing SPS applications. Furthermore, a representative from a partner country will present some project proposals and give advice on how to find a partner. In addition, an expert from the War Studies University will present the broad scope of opportunities for international collaboration in the framework of the SPS Programme with Polish partners. The session will end with the opportunity to ask questions to the panellists.

Moderator: NATO International Staff, Senior SPS and Partnership Cooperation Advisor

- **10.15** NATO HQ - *'Opportunities for Cooperation within the NATO SPS Programme'*
- **10.35** Military University of Technology in Warsaw, *'Experiences from a SPS project'*
- **10.45** Partner country *'A Partner's Perspective on SPS Cooperation'*
- **10.55** ISEG – the perspective of an ISEG member
- **11.05** War Studies University – *'Chances and challenges for collaboration with Poland within the SPS Programme'*
- **11:15 Question and Answer Session**

11:45

NETWORKING LUNCH

Location: War Studies University – lobby area

12:45

Small group workshop sessions: From idea to project proposal

Location: War Studies University, separate rooms

The aim of this session is to have a more focused and interactive session in smaller formats where participants will have opportunities to ask questions, exchange ideas and identify possible partners for projects with NATO SPS-staff.

Group 1: *New security challenges: Cyber & CBRN*

Moderators: NATO International Staff, War Studies University Staff, Polish experts

Group 2 *"Women, Peace and Security"*

Moderators: NATO International Staff, War Studies University Staff, Polish experts

Group 3 *"New technologies & security"*

Moderators: NATO International Staff, War Studies University Staff, Polish experts
